To consider:

Entering and Exiting the compound.

- Stay alert when driving.
- Obey the traffic signs inside and around the compound.
- Do not exceed the speed limit of 30 km/hr.
- Watch for pedestrians and bicycles, bike path and sidewalk at entrance/exit.
- Reduce speed in places where pedestrians circulate and where the houses or offices are located.
- Park in established and authorized parking places.

Recommendations to drivers.

- Being a safe and responsible driver.
- Obey the traffic signs.
- Wear your seat belt.
- Avoid using cell phones while driving.
- Show respect amongst drivers, pedestrians, motorcyclist and cyclists.

Activities to prevent risks.

- Plan the route you drive.
- Check the condition of your vehicle.
- Obey the traffic signs.
- Indicate maneuvers using signal lights.
- Stop in authorized and safe places.

Entry and Exit through: Juan Cisternas Avenue

ENTRY:

When you enter the compound through <u>Av. Juan Cisternas</u>, slowly approach the control gate. Follow the directions recommended by the security guard.

EXIT:

 You must turn right onto Avenida Juan Cisternas.

Entry and Exit through: <u>Alberto</u> <u>Arenas Street</u>

ENTRY:

When you enter through Alberto Arenas, proceed slowly, watching for pedestrians crossing, especially at entrance and crosswalk. Upon reaching control gate, follow directions recommended by security guard.

EXIT:

When you exit through Alberto Arenas, watch for pedestrians crossing at crosswalk and at the University gate. Upon reaching Raún Bitrán, you must turn right as as indicated on the image below. To go west, stay to the right as you go up the hill, so that you can take a left at the University gate, and return downhill to the rotonda.

In case of an emergency call:

- Ambulance : 131
- Firefighters : 132
- Carabineros : 133
