- Closed UC-only discussion time (~20 min)
  -

## Shared Meeting Minutes Document

*UC Members will find this document in their shared Google Drive Folder.*

*There is a link in the UC Members' private Slack channel.*

# Introduction to the Users Committee

The Rubin Users Committee is charged with soliciting feedback from the science community (LSST “users”) about the LSST data products and Rubin Science Platform, and recommending improvements in their twice-yearly reports that are delivered to the Rubin Operations director.

**Charge:** [rdo-051.lsst.io](https://rdo-051.lsst.io)

**Website:** [lsst.org/scientists/users-committee](https://lsst.org/scientists/users-committee)

**Reports:** available in the Rubin Community Forum (tag = “users-committee”)

**Meetings:** first ~hour open to community members to attend (join @PCW on Fri 9am)

**Contact:** via the Rubin Community Forum (Community.lsst.org; direct message to individuals or to the @Users-Committee group) or via email to [RubinObs-Users-Committee@lists.lsst.org](mailto:RubinObs-Users-Committee@lists.lsst.org)

## The Rubin Users Committee looks forward to hearing from the Rubin science community.
